Model #EBC-100: Cutter for Cardboard Edge Protection

- Easily cuts Cardboard Edge Protection products to the exact lengths needed for your pallets, products or frames.
- Protects employees from using knives, saws or other potentially dangerous methods to cut Edge Protection Boards to the necessary lengths.
- Perfect for any facility that ships pallets of varying heights, frames or who uses Edge Protection products to stiffen cartons or secures uneven shipments.
- Recycles Edge Protection Board for your specific application and also can be used to cut small pieces to be used under strapping to protect products.
- For Edge Protection up to 4" (100mm) x 4" (100mm) and 3/8" (10mm) thick.
- Heavy duty construction with ergonomically correct handle.
- Sharp guillotine cut with easily replaceable blades.
- Fully portable, can be mounted or secured with clamps.
- Has pin to secure handle and compartment for shipping supplies.
- Small table top design - 21" (534mm) x 8" (203mm) x 32" (813mm)- Weight 16 Lbs (7.25kgs)
